PETITION TO WITHDRAW HOLDING OF
ABANDONMENT BASED ON FAILURE TO RECEIVE OFFICE ACTION

Dear Sir:

This is a petition to withdraw the holding of abandonment pursuant to a Notice of Abandonment dated March 12, 2007. Applicant believes the Notice of Abandonment was mailed in error according to the facts listed below and the attached documents.

1. Applicant filed the above-referenced National Phase application on January 24, 2006, and received the return receipt postcard from the U.S. Patent Office on February 9, 2006, stamped with the serial number and dated January 24, 2006 (copy attached hereto as Exhibit A).

2. Applicant has made a diligent search of the file jacket and docketing systems, and there is no record of receiving any other papers from the U.S. Patent Office

subsequent to the return receipt postcard, and did not receive the pertinent Notification of Missing Requirements.

3. Applicant then received a Notice of Abandonment for Serial No. 10/566,114 which was mailed from the U.S. Patent Office on March 12, 2007. The Notice indicated that Serial No. 10/566,114 was abandoned for failure to respond to the Notification of Missing Requirements in a timely manner.

4. Applicant has attached hereto as Exhibit B a copy of the docketing program record for this matter, which shows that no documents were received from the U.S. Patent Office between the time of filing the application and the receipt of the Notice of Abandonment.

5. As the application was filed under National Phase status, Applicant is unable to access and view the application record under PAIR, and is therefore unable to procure a replacement copy of the Notification of Missing Requirements. Applicant has prepared and enclosed herewith a Response to Notification of Missing Requirements including the Declaration and Power of Attorney for this matter, and asks that the response be filed in lieu of receipt of the Notification of Missing Requirements. Applicant hereby authorizes charging Deposit Account 02-2666 in the amount of \$130.00 as payment for the late filing surcharge pursuant to 37 C.F.R. § 1.16(e), and any other fees required with respect thereto.

Applicant petitions the U.S. Patent Office to rescind the Notice of Abandonment based on non-receipt of the Notification of Missing Requirements. Applicant believes the Notice of Abandonment was sent in error and respectfully petitions that this notice be rescinded and that confirmation of the rescindment be mailed to Applicant.

Applicant also requests that the Response to Notification of Missing Requirements be filed, and confirmation in the form of a Filing Receipt and Notice of Acceptance of Application be mailed to Applicant, and that prosecution of this application be allowed to go forward.

Applicant hereby authorizes charging Deposit Account 02-2666 for petition fees required under Rule §1.182, and any other fees required for the petitions named herein.

Respectfully submitted,
